Gentlemen:

In a list of medals struck by and recently furnished up by the Medallie Art Company, is the Spirit of St. Louis Medal designed for you by Mr. Victor S. Holm. We should be very glad to have a copy of this medal for our Museum, if this does not violate the purpose for which it was struck. If it is possible for you to grant this request, will you be so good as to notify the Medallie Art Company (210 East 51st Street, New York City) to that effect.

Yours very truly,

Secretary

Dear Mr. Noe:

We have your letter asking for the replica of the Spirit of St. Louis Medal which is given by the A.S.M.E. We wondered whether you would like to have replicas of medals that are other awards of the Society, as the A.S.M.E. Medal, Holley Medal, Melville Medal and our Fiftieth Anniversary Medal.

I am writing this letter unofficially, but if you will telephone me, so that we may have word by tomorrow, I shall see our Secretary, Mr. Calvin W. Rice, at a meeting in Princeton, and we will let you know at once as to what arrangements we can make with the Medallic Art Company who now have all of the dies of the medals issued by the Society. *most*

My dear Miss Parker:

Your letter of March 12th reached us too late for us to follow the suggestion that we telephone to you before you left for Princeton. We should be very glad to have the other medals that you mention, and if you can let me have a word to that effect, we shall greatly appreciate your courtesy,

Yours very truly,

Secretary.
